The smart Vauxhall range includes a workwear coverall, work trousers, work jacket and a flame retardant coverall. We are the only authorised manufacturer and supplier of Vauxhall technician workwear in the UK. All garments are smart, durable, industrially launderable and branded with the Vauxhall logo to help you keep a consistent company identity.

You can order direct from our website or from your preferred laundry partner.

We are a British designer, manufacturer and distributor of high quality, functional workwear, protective clothing and specialist PPE and have used all our 100 years of experience to become a leading supplier of industrial workwear. We're trusted to do the job worldwide...wherever complete comfort and reliable protection are critical.
